

# Educational institutions by educational level, 2016/17

## Number of schools

Switzerland: 10,413

## Distribution of schools by educational level

- Primary level 1-2 (Switzerland: 5,414)
- Primary level 3-8 (Switzerland: 4,646)
- Lower secondary level (Switzerland: 1,657)
- Upper secondary level (Switzerland: 842)
- Tertiary level (Switzerland: 366)

Special needs schools and higher education institutions are not represented.

The Swiss total differs from the total by educational level due to the double counting of schools offering a teaching programme over several educational levels.
